### EXPERIENCE & EXPERTISE

Ms Graham has been employed by Keith Borer Consultants since September 2024 as a specialist in alcohol and drug-related casework. She provides reports in the following casework areas:

- **Alcohol and drink driving** - alcohol calculations and interpretation of breath and blood analyses in relation to alcohol technical defences (post-driving drinking, laced drinks, drunk in charge).
- **Drug driving** - interpretation of blood and urine analysis in relation to Section 5A RTA drug driving (prescribed limit).
- **Drug seizures** - identification of illicit substances, patterns of drug use, street/bulk/wholesale valuations, valuations for POCA.

Ms Graham is also responsible for the quality review of reports prepared by other experts at Keith Borer Consultants. Keith Borer Consultants operates a Continuous Professional Development Scheme for all staff. Within this scheme Ms Graham attends training courses, keeps up to date with scientific literature and undertakes peer reviewed external competency assessments.

She has also completed the Bond Solon Courtroom Skills course.
