

Sarah Catherine Morley, BSc(Hons), MSc
Personal qualifications and experience

Mrs Morley has been employed by Keith Borer Consultants since 1997 and specialises in alcohol and drugs related casework. On average Mrs Morley is instructed in approximately 120-150 criminal cases each year and also receives instructions in civil cases. Mrs Morley is also responsible for the quality review of reports prepared by other experts at Keith Borer Consultants, totalling around 150 annually.

Mrs Morley prepares reports on the following aspects of forensic science:

- Alcohol back calculation reports in cases of driving whilst under the influence.
- Interpretation of toxicology results in drug drive cases.
- Toxicology reports dealing with the effects of alcohol, illicit drugs and medications on defendants, complainants and witnesses.
- Usage patterns and valuations of illicit drug seizures.
- Examinations of illicit drugs, including identification, purity analysis, chemical profiling and comparison of packaging materials.

Mrs Morley has the following qualifications:

- Bachelor of Science (Hons) in Pharmacology (1995)
- Master of Science in Forensic Science (1996)

She was a Registered Forensic Practitioner (Alcohol Technical Defence and Toxicology) up to 31st March 2009 when the register closed. Prior to joining Keith Borer Consultants, she worked as an analytical chemist testing drugs and industrial chemicals.

She regularly gives evidence in Crown and Magistrates' courts.
