

## Forensic Fingerprint Specialist

Keith Borer Consultants is a Forensic Science Consultancy firm which has been providing forensic consultancy and expert witness services since 1980.

The role primarily involves comparing fingerprints at source level, examining and commenting on the evidence at activity level, preparing expert reports and, where necessary, presenting that evidence at case conferences or in court. Candidates must be prepared to travel and be flexible with their working day.

Applicants will need a degree or equivalent in a relevant discipline or subject relevant experience. A full UK driving licence is required for this role.

The successful candidate will need to be a critical thinker, self-motivated with the ability to take responsibility for their own workload and meet strict deadlines. You will also have excellent verbal and written communication skills with high level of attention to detail.

In addition to a competitive salary, you will receive the following benefits:

- private medical insurance (optional)
- permanent health insurance
- 25 days per annum holiday plus statutory, bank and public holidays
- 9 ½ x salary life insurance
- Perkbox membership
- 24 hour employee assistance programme
- Default Pension Salary Exchange option

Interested candidates should send a CV and covering letter to [kbc@keithborer.co.uk](mailto:kbc@keithborer.co.uk) for the attention of Lee Fagan.

**Due to nature of the work we undertake, all applicants must have lived in the UK continuously for the past three years and will be required to gain and retain security clearance which we will arrange.**
